

*Research to Nourish Africa*

classified@cgiar.org

The International Institute of Tropical Agriculture (IITA) invites applications for the positions of **Financial Controller and Head, Internal Audit**.

IITA is an international non-profit research-for-development (R4D) organization. We develop agricultural solutions with our partners to tackle hunger and poverty by reducing producer and consumer risks, enhancing crop quality and productivity, and generating wealth from agriculture. Please visit [www.iita.org](http://www.iita.org) for more information on IITA and the positions.

### **Financial Controller**

The Financial Controller will have responsibility for understanding the strategic direction of the organization and assist the Director of Finance (DoF) in providing high level, proactive financial expertise and direction for both short-term and long-term financial planning and management. In conjunction with DoF, the incumbent will lead the task of preparing IITA annual financial statements to comply fully with International Financial Reporting Standard (IFRS) by 2015.

Educational Qualifications - First degree in any discipline plus a recognised professional accounting qualification – ACA, CPA, ACCA. The possession of an MBA is highly desirable and will be an advantage.

### **Head, Internal Audit**

The Head, Internal Audit reports to the Audit Committee of the Board of Trustees and administratively to the Director General. Using risk management strategies, the incumbent will be responsible for planning, evaluating, and advising management on the financial and operational integrity of the Institute's activities in all its geographical locations and functional areas of operations, including its expanding manufacturing/distribution activities.

Educational Qualifications - Bachelor's degree in any discipline and Certified Internal Auditor or a Certified Information Systems Auditor. Possession of qualifications such as a Chartered Accountant or Certified Public Accountant will be a major advantage.

**Duty station for both positions:** IITA Headquarters, Ibadan, Nigeria

**Closing date:** 7th March 2014
